How are grades reported on the Report Card?

You will receive a report card four times during the year: at the end of Q1, Semester 1, Q3 and the end of the year. Report cards are distributed electronically.

$$\frac{Q1(x2) + Q2(x2) + Exam}{5} = \text{Semester 1}$$

$$\frac{Q3(x2) + Q4(x2) + Exam}{5} = \text{Semester 2}$$

$$\frac{\text{Semester 1} + \text{Semester 2}}{5} = \text{Year-End Grade}$$
