Spirit Week & Homecoming Reminders

Homecoming Tickets & COVID Testing

Homecoming Ticket Sales Close This Friday, 10/15

If your student has not yet purchased tickets for the Homecoming Dance on October 23 (rain date of October 24), please note that **this Friday, October 15 is the last day that tickets will be available for purchase in the school store**. No tickets will be sold next week or at the door.

COVID Testing for Homecoming Is Monday, 10/18- Registration Required

As previously communicated, all students who wish to attend the dance must supply proof of vaccination or a negative COVID test.

- Proof of vaccination for students **must be uploaded through the student's SchoolDoc account** by logging into SchoolDoc, then clicking on Health Profile, Immunizations.
- John Carroll will offer **convenient, free testing on campus on Monday, October 18 to all students who need to be tested**. A parent or guardian of any student who is not vaccinated and wishes to attend the dance should use the link below to register the student for this testing, which will take place from 7:30 - 10:00 a.m. in the Upper Gym. If a student does not have a free mod during this time, he or she will be excused from any class time missed to participate in the test.
